Profile

I am currently studying computer science. I am a responsible and skilled person. Completely bilingual. I worked with various programming languages and carried out several projects with them during my academic preparation. I participated in the BPuzzle competition from Bloomberg, which challenges students to solve problems using critical and computational thinking.

Areas of Expertise

Excel - PowerPoint - Word - SQL - Python - Java - HTML - C# - C++ - R - OCaml - Animation - Graphic Design - Digital Artist - Good with Computers - Bilingual - Good in teams

Professional Experience

BPuzzle internationals,

New York, NY 2023

- the internationals were a greater test of knowledge and team management.

BPuzzle regionals

San Juan, PR 2022

- the local BPuzzles were given to each university to compete with their knowledge of the world and of computers. we were given 4 hours to complete the most puzzles possible and my team won and was given the chance to compete in the internationals.
